

Year 1/2 Curriculum Letter Autumn 2 2022

Maths V1— We will be using part-part whole models to support our learning of addition and subtraction with 1-digit numbers.

T1/2— We will be also be using part-part whole models to support our learning of addition and subtraction with both 1-digit numbers and 2-digit numbers.

P2— We will begin by continuing our learning of addition and subtraction with 2-digit numbers. Following this, we will start a new topic of geometry, learning about a range of 2-D and 3-D shapes.

Science In Science this half term the children will be learning about things that are living, dead and have never been alive. We will then be moving on to learning about the human body, a range of materials, light, sound and electricity.

Knight Fever

English This half term we will be researching information on castles and writing a non-fiction information report.

Following this, the books we will be using as a basis for our work are 'How to Kick Start a Dragon' and 'Sir Charlie Stinking Socks'.

There will be a focus on developing story language and different forms of punctuation. The children will write stories, character descriptions and recounts.

DT This half term will be based around the children designing and building their own castles. This will involve many skills such as joining materials together, folding, curling and creating hinges.

History Our topic this year will be all about castles! We will be going on a trip to Tamworth Castle but to support this learning we will...

RE In RE this half term we will be engaging with religious beliefs and ideas expressed through story, symbol and other visual forms of expression.

PSHE PSHE this half term will be teaching the children how to develop and maintain a variety of healthy relationships.

Order castles chronologically and describe how and why they have changed over time.

Label the parts of the castle.

Learn about what life was like in castles and who lived in them.

Find information of famous historic figures, specifically William The Conqueror.

PE Remember to wear trainers and remove earrings on **PE days**.

V1: Monday and Thursday

T1/2: Tuesday and Thursday

P2: Tuesday and Thursday

Music The specialist teacher will be working with the children. They will be learning to play simple rhythms on the keyboard.

Computing This half term we will be learning about how to use the internet safely and search a range of questions using different search engines.
