

Year 1/2 Curriculum Letter Autumn 1 2021

Maths Year 1 will begin by exploring numbers to 10. They will read and write numbers in words and numerals and compare and order them.

Year 2 will begin by exploring numbers, and in particular Place Value, before developing their skills of addition and subtraction.

Next week you will receive your child's username and password for Mathletics! Please try to log on as often as possible and help your child achieve awards and certificates.

Art This half term the children will be using the work of Julian Opie to inspire their own digital media images of themselves and as superheroes.

They will be using digital media to explore colour, line, tone and texture.

RE Our RE topic will explore the idea of belonging and caring, discussing how people show that they care.

Music The children will work with our specialist Music teacher. They will also learn songs for our upcoming Harvest Festival.

Science In Science this half term the children will be learning to identify and name plants and trees, before beginning to decide whether animals are carnivores, omnivores or herbivores. We will then identify and label different parts of the body.

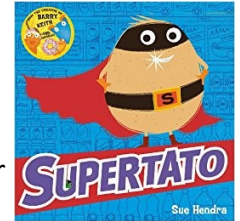

Superheroes

Please remember to remove ear rings for PE days.

PSHE During this half term we will focus on developing our class rules, and making sure they understand their role and contribution to the life of the school. We will also vote in our new school councillors.

Geography This half term the children will be recapping/introducing continents and oceans of the world using maps, atlases and globes. The children will identify UK countries and capital cities.

English Linking with our Superheroes topic, we will be reading Supertato and Traction Man, using these texts to inspire their own writing, such as character descriptions and a wanted poster.

They will continue learning their phonics and spellings and will be learning further rules in grammar, as well as developing their use of punctuation. Please ensure your child reads every day.

History We will find out about significant people from the past who were real-life superheroes, such as Florence Nightingale and Mary Seacole.

PE This half term the children will be developing their dancing skills linked to plants and seeds. In Outdoor PE, the children will be exploring different ways to jump and how to be a champion at jumping.

Computing We will be working on basic computing skills this half term, such as how to log on, open and save documents and manipulate texts (for example, enlarging the text or changing the font). Linked to Art.
