

# Year 6

## Maths

We will consolidating our mathematical knowledge this half term, revising key topics and applying our knowledge to problems.

It is important that pupils continue to practise their times tables as all pupils must be secure with multiplication and division facts up to 12x12.

## Art

Our artist focus for the summer term is L.S Lowry. Lowry is one of Britain's most famous artists from the 19th century. He is well-known for painting industrial scenes and matchstick characters. The children will creating their own scenes in the same style as Lowry.

## English

We will be exploring A Midsummer Night's Dream during Shakespeare week. After, we will be reading A Boy In The Girls' Bathroom by Louis Sachar.

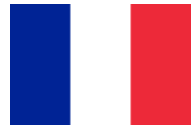

## Topic

Our topic is "We love you, Burton!" We will be learning all about our town, and the local history and geography. We will be writing persuasive leaflets to attract visitors to the town.

## French

The children will be learning about schools in French, recapping days of the week, times, learning about school subjects and forming questions.

## End of Year Production

We will be rehearsing our end of year production, practising our speaking and listening skills, as well as acting and singing.

## Science

Science will cover a range of topics, starting with forces. The overriding scientific topics will be revisited at regular intervals across the year. All these topics will be underpinned with experiments and investigations, and by working scientifically.

## PE

Mr Darlington's class has PE on Monday and Wednesday. Miss Daniels' class has PE on Tuesday and Wednesday.

## ADDITIONAL INFORMATION

Your child has a reading book from school. Regular, daily reading is essential and children will receive a Golden Egg Ticket each week if they read 5-7 times a week for 10+ minutes (and have a brief comment in their diary).

Please make sure children attend school in their PE kits and trainers on these days.

Earrings and other jewellery must be removed for PE.
