

PUPIL PREMIUM GRANT REPORT TO PARENTS 2016/17

The Pupil Premium Grant received by Christ Church Primary School is calculated based on the number of children on roll in the January census of each year, who are known to have been eligible for free school meals at any time within the last six years (Ever 6 FSM), or who have been adopted from care or have left care (post LAC), or who are the children of armed service personnel (Ever 5 FSM).

Children in Care of the Local Authority are eligible to a Pupil Premium Grant through the Headteacher of the Staffordshire Virtual School.

Principles of the Pupil Premium Grant (PPG)

We strive to ensure that the teaching and learning at Christ Church meets the needs of each child. Following assessment, those pupils who require further provision are given appropriate interventions which include children in receipt of PPG.

Our intention is to ensure that PPG will be aimed at accelerating progress and moving children to achieving at least age-related expectations in Literacy and Mathematics. Through work identified in action plans and working with other agencies to help children and families we aim to raise and improve self-esteem, attitudes to learning and progress and achievement of target pupils.

Impact

The progress and achievement of all pupils is monitored at regular intervals throughout the year. Information from lesson observations, children's books, pupil and parent feedback also inform key points in the evaluation process. Any pupil who is in need of intervention is identified, discussed in regular pupil progress meetings and the necessary support put in place. Achievement information is frequently checked to see if interventions are working or if adjustments need to be made. Any developments which schools need to address are fed back into the planning and the Strategic Impact Plan. School is systematically focussed on giving pupils clear, useful feedback about their work and ways that they could improve it.

How can parents and Carers contribute to the success of the Pupil Premium Grant scheme?

If your child is entitled to free school meals, please always register, even if they are not going to have school lunches. This has a direct impact on the funding which will then be used to support your child. Parental support is a key factor in raising standards.

Mrs Alison Charlton can help you to fill in the forms or help with on-line applications.

Mrs Charlton is either on the front desk

- Universal credit
