- Improvements in the quality and breadth of PE and sporting provision, including 'increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.'
- Improved quality of teaching and learning in Primary physical education, including more dynamic and sustained exercise in lessons.
- Increased opportunities for competitive sport.
- Develop the range of sporting activities offered.
- Foster links with local sporting clubs.

How the Sports Premium is being used at Christ Church

- Providing coaches from local clubs for after school sports clubs to improve 'Pupil Engagement'. This will allow pupils to have access to a range of after school activities linked to a variety of sports.
- Providing opportunities for exciting physical activities in school time. This will allow us to have engaging and active lunchtimes and provided opportunities for pupils to take part in a variety of sports.
- Professional development opportunities in PE/sport. This will allow staff to develop their skills in delivering high quality PE.
- Providing cover to release primary teachers for professional development in PE/sport.
