

<u>Maths</u> Year 1 We will be consolidating our knowledge of numbers to ten and continue learning about addition and subtraction within 10. We will also look at shapes in our geometry unit. Year 2 We will be consolidating our knowledge of numbers to 100 as we focus on addition and subtraction with those numbers. We will also focus on shape in our geometry unit.	<u>Science</u> In science we will be thinking about parts of the body as we continue learning about living things. We will also begin to learn about properties of different materials, looking at what materials objects are made from. We will focus on light and sound and name different light and sound sources. We will also learn about electricity and think about the items in our school and home that run off electricity.	<u>English</u> In T1 we will be learning about good grammar using our Grammarsaurus curriculum. In JM1/2 and F2 we will be using the texts Supertato and Superworm to write character descriptions. We will also use the text 'Lost and Found' to retell a story. Daily reading and phonics will develop our reading and spelling skills. Please ensure your child reads every day. 	
<u>PSHE</u> We will continue using our PSHE curriculum One Decision and think about our feelings and how to manage these. We will think about how to look after our mental health and learn coping skills for when we are feeling worried. We will also name our emotions and think about both positive and negative emotions.	KS1 Curriculum letter Autumn 1		<u>RE</u> We will focus on the idea of belonging and what this means to us. We will look at the groups we belong to and what belonging means to different groups and also what it means to some different religions.
 <u>Geography</u> In Geography we will be learning about the UK. We will learn the four countries it is made up of, their capital cities, and we will be learning how to locate the UK on a world map. We will look at key features of the UK.	<u>History</u> In history we will be learning about the Battle of Hastings. We will use our historical skills to investigate the past to find out where it happened, when it happened, and what happened. We will also learn the names of the key historical figures involved. 	<u>PE</u> In outdoor P.E we will be keeping fit by practising our running skills and playing running games to build our team-player skills. In indoor P.E we will be keeping fit and active exploring Gym Fit Circuits. Make sure to wear plain black P.E kit and remove all jewellery for P.E days. 	
<u>Music</u> We will be continuing our musical learning on Music Express and we will be focusing our learning on listening, exploring sounds, performing and appraising. We will look at the musical elements of timbre and structure and be inspired by myths as we perform our music.	<u>Computing</u> In computing we will use our Purple Mash curriculum to become more confident with using the computers. We will use keyboard skills to explore mazes, and learn how to use branching tools to ask questions.	<u>DT</u> In DT we will be making a healthy snack to eat! We will practice some food-based skills and also think about where our food comes from, thinking about the nutrition in the food we eat.
