

September NEWSLETTER

Dear Families,

I would like to take this opportunity to welcome everyone back after the Summer holidays, it is great to see all of our children looking so smart in their new uniforms and keen to start their learning journeys again this year. Please can I remind you that children will need to bring a raincoat to school everyday as the weather is becoming more inconsistent.

I would also like to welcome any new parents to our school, I hope you have managed to get used to the school routines. All of our curriculum letters have been e-mailed out to explain what should be happening in each class/ year group this term but if there is anything you are unsure of regarding school systems, please ask so that we can try to make the transition as smooth as possible for you.

We have lots of fun and exciting learning opportunities planned throughout the year so I'm sure all of the children will have another wonderful year. Our Year 3's have already had their first swimming lesson, Years 4 and 5 have their 'bikeability' training starting soon, we have our Harvest festival taking place at Elim Church for EYFS and KS1 (to which parents are welcome to come along to on Tuesday 12th October) as well as some of our after school clubs, and that's just in our first half term!

Throughout the year we will also be planning more opportunities for parents to come in to school, after the last few years of restrictions it would be lovely to welcome you in for things like parent workshops, special theme days and assemblies. We would also appreciate your continued support with our fundraising events. The dates for our first parents evenings have now been set (please see the calendar dates) which will also give you a chance to come into school to meet your child's teacher and see how they have settled into the new year. We will let you know nearer the time when appointments are available to be booked via Parentmail.

Kind regards,

Mr L Archer

Queen Elizabeth II Funeral

The passing of Queen Elizabeth II last week was a sad and momentous occasion. We have marked this at school by having a whole school assembly, celebrating her achievements as well as holding a minutes silence in respect. With this in mind, you may also wish to take time to discuss the events taking place over the next week with your children. I understand that this may be a difficult time for many of us, for some it may evoke memories of our own losses, if this applies to you then please follow this [link](#) for further advice and strategies that may help you and your family. Please let us know if your child is finding this time difficult to cope with as we can provide some support for them.

It has been announced that the funeral will be held on Monday 19th September which has now been declared a Bank holiday, therefore school will be closed on this day and will re-open on Tuesday 20th September as normal.
