

Friday 10th October 2025

Dear Parents/Carers,

You are invited to a meeting designed to inform you about how phonics is taught here at Christ Church Primary School. During the meeting you will have an introduction to our phonics scheme 'Little Wandle Letters and Sounds' and understand how your child learns to read in their first school years. We hope that the meeting will provide you with the confidence needed to help support your child at home. After this session you will have the opportunity to sign up to observe a phonics session taking place in your child's class. Parents in previous years have found this particularly useful in helping support their child with reading at home.

You are invited to attend on **Tuesday 21st October** at 3.45pm.

We do ask for parents only as this is an informational session targeted at parents rather than children. The school will be providing a creche if you do not have childcare available. The meeting will be held in the reception classroom so please wait in the school reception area and we will invite you in when the meeting is ready to begin. Please aim to arrive five minutes early ready for a prompt start.

Mrs Timmins
Phonics and early reading lead
