

# Year 6

## Maths

We will be consolidating our mathematical knowledge this half term, revising key topics and applying our knowledge to problems. We will also be continuing our learning on Pie charts and focusing on converting units of measure.

It is important that pupils continue to practise their times tables as all pupils must be secure with multiplication and division facts up to 12x12.

## DT

We will be continuing with our enterprise projects, which will involve sourcing ingredients, making the products, marketing and selling their goods. Their final products will be available to purchase at the Summer Fayre.

## History

This half term, our unit is Local History. We will be focusing on Burton Abbey and the major changes undergone over the last thousand years.

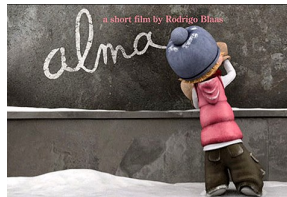

## ADDITIONAL INFORMATION

Your child has a reading book from school. Regular, daily reading is essential and children will receive a Golden Egg Ticket each week if they read 5-7 times a week for 10+ minutes (and have a brief comment in their diary).

## English

In writing, we will be spending the first few weeks writing a story based on a short animation: Alma. We will be focusing on including a range of punctuation: colons, semi-colons and dashes. We will then move on to writing brochures about our school. Also in writing, we will be doing a detailed recount of our trip to Alton Towers.

In reading lessons, we will be reading a text called, A Boy In The Girls' Bathroom by Louis Sachar. We will be writing diary entries and playscripts.

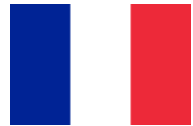

## Geography

In Geography, we will be learning about ocean currents and how these impact the world's climate. Along with this, we will also be learning about plastic pollution. We will also be conducting fieldwork on Burton Town Centre.

## French

The children will be recapping days of the week, times and learning about school subjects.

## Science

We will be deepening our learning through a number of science topics: Electricity, Earth and Space, Forces, Properties, Evolution and inheritance.

## End of Year Production

Our production this year is called 'The Pirates of the Curry Bean'. We will be rehearsing our end of year production, practising our speaking and listening skills, as well as acting and singing.

## PE

The units for this half term are 'The Joy of Moving' and Athletics.

N6 have PE on Monday and Friday and SB6 have PE on Tuesday and Friday.

Please make sure children attend school in their PE kits and trainers on these days.
