

Year 6

Maths

We will be consolidating our mathematical knowledge this half term, revising key topics and applying our knowledge to problems. We will also be continuing our learning on Pie charts and statistics.

It is important that pupils continue to practice their times tables as all pupils must be secure with multiplication and division facts up to 12x12.

DT

We will be continuing with our enterprise projects, which will involve sourcing items, making products, marketing and selling their goods. Their final enterprise event will be at the Summer Fayre.

History

This half term, our unit is Local History. We will be focusing on Burton Abbey and the major changes undergone over the last thousand years.

ADDITIONAL INFORMATION

Your child has a reading book from school. Regular, daily reading is essential and children will receive a Golden Egg Ticket each week if they read 5-7 times a week for 10+ minutes (and have a brief comment in their diary).

English

In writing, we will be spending the first week writing a story based on a short animation: Alma. We will be focusing on including a range of punctuation: colons, semi-colons and dashes. We will then move onto writing about Alton Towers and we will finish with work on The Boy in the Tower.

In reading lessons, we will be continuing with The Boy in the Tower and will then be moving onto reading a text called, A Boy In The Girls' Bathroom by Louis Sachar.

Geography

In Geography, we will be learning about ocean currents and how these impact the world's climate. Along with this, we will also be learning about plastic pollution. We will also be doing some Geography fieldwork towards the end of the year.

French

The children will be recapping days of the week, times and learning about school subjects.

Science

We will be deepening our learning through a number of science topics: Electricity, Earth and Space, Forces, Properties, Evolution and inheritance.

End of Year Production

Our production this year is called 'Ye Ha'. We will be rehearsing our end of year production, practising our speaking and listening skills, as well as acting and singing. Please make sure you bring your scripts into school every day.

PE

The units for this half term are 'The Joy of Moving' and Athletics. N6 have PE on Monday and Friday and SB6 have PE on Tuesday and Friday.

Please make sure children attend school in their PE kits and trainers on these days.
