

CHRIST CHURCH PRIMARY SCHOOL

February
2020

01283 247400

Dear Parents

We have nearly come to the end of this half term and I am delighted to see that the children have been working very hard and are a real credit to the school.

PARENT MAIL

We have now set up and used Parent Mail where you can book your parents evening appointments. Thank you to everyone who signed up and are now using the app. Should any of you have any further problems then just pop into the Office and chat to Miss Douglas who will be happy to help you. Thank you for your patience while this process has been set up and for the positive feedback received.

After School Clubs

During the next term we have some exciting new clubs so keep your eyes peeled. We have a lady from 'Scraggy Moo' coming in on a Tuesday and Friday to do Art Club. If your child wishes to take part, then contact the Office for a letter.

Bike ability:

On January 17 Year 5 children took part in Level 1 'Bikeability' training on the school playground.

This will help the children to ride a bike safely. Level 2 training will take place in March.

Congratulations to these children for their fantastic efforts.

Dates for your diary and INSET days over-leaf.

REMINDERS:

Winter illnesses-if your child is poorly please keep them at home until they are well. If your child has diarrhoea and/or vomiting they should not attend school/nursery until they have been free of symptoms for **48 hours**. This helps to prevent further infection. Thank you.

Reading for pleasure

Don't forget to visit the local library over the holiday. There are some great workshops to get involved in too!

Travel Ambassadors

Our school Travel Ambassadors have continued with their important work this half-term. There was an assembly for all the children in the school on the theme of 'Be Bright, Be Seen'. The air quality around school was also monitored on this day and this is another area the Travel Ambassadors are looking to improve over the coming months.

Sporting News:

Six Year 5 children took part in an archery competition at Robert Sutton and even though they'd never tried it before, they performed brilliantly. There has also been a Year 5 and 6 dodgeball competition and the teams had a great time. One team getting to the quarter finals.

Assemblies

We have enjoyed the Roman assembly this morning and previously the KS1 assembly too. Thank you for your continued support at these happy events where the children can enjoy sharing their learning and have fun performing to a super audience. Which is always appreciated.
